ALL NEW TJM XGS GOLD EDITION SHOCK ABSORBERS

TJM XGS Gold Edition 4WD Suspension has the ability to transform your vehicle to handle the rigours of offroad travel like the corrugated roads of Cape York and the Canning Stock Route. TJM XGS Gold Edition 4WD Suspension takes the constant undulations of the Simpson Desert and the articulation work of the Victorian High Country in its stride and all of these situations demand improved ride, handling and wheel travel, while carrying increased loads.

Unique Multi Adjustable Spring Seat (Struts)

When you're serious about suspension TJM XGS Gold Edition is clearly the Best Ride Ever.
